CONDITIONS OF SALE.

1. All bids to be PER PIECE, unless otherwise stated in the Catalogue.
2. The highest bidder to be the buyer; in all cases of disputed bids the lot shall be resold, but the Auctioneer will use his judgment as to the good faith of all claims and his decision shall be final.
3. Buyers to give their names and addresses and to make such cash payments on account as may be required, in default of which the lots purchased to be immediately resold.
4. Goods bought to be removed at the close of each sale. If not so removed they will be at the sole risk of the purchaser and this Company will not be responsible if such goods are lost, stolen, damaged, or destroyed. Goods remaining in our rooms more than two weeks after sale will be charged storage or placed in storage for account of the buyer.
5. Terms Cash. If accounts are not paid at the conclusion of each Sale, or, in the case of absent buyers, when bills are rendered, this Company reserves the right to recatalogue the goods for immediate sale without notice to the defaulting buyer, and all costs of such resale will be charged to the defaulter. This condition is without prejudice to the rights of the Company to enforce the sale contract and collect the amount due without such resale at its own option. Accounts remaining unsettled after thirty days from date of sale will be charged interest at the rate of six per cent. from date of sale.

PLEASE READ THESE NOTICES

1. Make your bid on this sheet for one sale only.
 2. Give your full name and address on each order.
 3. Send your orders early. Delays frequently result in unnecessary disappointment.
 4. Be careful to make your bids legibly and at so much per volume or piece.
 5. Send shipping instructions with each order.
 6. Place some limit to your bid. Two or more unlimited orders to "buy" in the names of different agents may send the price to very unreasonable figures.
 7. We make no charge for executing orders for our customers. We use all bids competitively, buying at the lowest price permitted by other bids.
 8. All goods are sold as catalogued and are assumed to be in good **second-hand** condition. If material defects are found not mentioned in the catalogue, the article may be returned, but notice of such defects must be given promptly upon receipt of the goods, which must be returned within ten days from the date of the sale. No exception will be made to this rule.
 9. **Terms Cash.** References or cash deposit required with orders from strangers.
 10. **Deliveries.** It is expected that all purchases will be called for or shipped promptly after each sale. Goods not so delivered will be held at the sole risk of the buyer.

FOREWORD.

A wide variety of offerings in **Rare Coins, Medals, Tokens, Paper Money, Antiques, Cut Gems, Old Newspapers**, etc. will be found herein described.

The **Greek, Roman** and other **Ancient Coins**, in various metals, embrace a period extending over 800 years, while the more recent **European, Oriental** and **American Coins and Medals**, are such as to interest the antiquarian, the historical student, or the numismatist.

Data fit for the historian will be found in the **Old Newspapers**, which extend from the opening of the **French and Indian War**, with special references to the **Pontiac War**, to the close of the Revolution. Interesting are the reprinted official "intercepted" letters which passed between **George Washington** and other commanders, as well as **Benedict Arnold's** famous "**Proclamation**," asking his old American comrades to serve King George III. The **Lincoln Assassination** and the Civil War are covered by issues of the New York Herald and World.

Connoisseurs will appreciate the fine modeling and perfect preservation of the lot of **Greek and Phoenician Glass Objects**.

This is an altogether different lot of material from that offered in previous sales, and should interest many bidders.

Exhibition of the Lots: Saturday, May 7th, and on Monday, May 9th, up to the time of sale, 2:30 P. M.
